

2019 REQUIREMENTS

Aiken County Local Tourism Development Grant Guidelines (Bricks and Mortar)

(July 1, 2018 – June 30, 2019) June 15, 2018 Application Due Date
July 10, 2018 Meeting Date, Applicant Present

Aiken County Local Accommodations Tax Grants are funded through Local Accommodations Tax revenues collected in the **unincorporated** Aiken County. These funds may be used for tourism related projects in Aiken County, with a priority of funding projects in the areas where Aiken County Accommodations Taxes are collected. Please pay close attention to grant requirements as they explain organization and program eligibility as well as funding priorities.

The proceeds from this tax are to be used for the dedicated purpose of promoting tourism in Aiken County. Overnight accommodations resulting from your project or attraction in the **unincorporated** areas of Aiken County are the ultimate goal. This is a competitive grants program that provides Accommodations Tax funds to eligible non-profit organizations. **Please do not contact anyone from the advisory committee regarding the status of the grant applications.**

AIKEN COUNTY LOCAL ACCOMMODATION TAX ORDINANCE

SEC. 22-78

1. As allowed by Section 6-1-530 of South Carolina state law authorizing the local accommodations tax, the county-collected accommodations tax may be used for:
 - (1) Tourism-related buildings including, but not limited to, civic centers, coliseums, and aquariums;
 - (2) Tourism-related cultural, recreational, or historic facilities;
 - (3) Tourism-related land and water access;
 - (4) Highways, roads, streets, and bridges providing access to tourist destinations;
 - (5) Water and sewer infrastructure to serve tourism-related demands.
2. All requests should be in the form of a one-time grant proposal submitted to the Aiken County Accommodations Tax Advisory Committee on a timetable determined by them. **June 15, 2018**
3. The County Accommodations Tax Advisory Committee will make its recommendations to the administrative committee at the end of the fiscal year. The recommendations will recommend allocation of the dollars collected for the current fiscal year in time for inclusion in the annual budget. Final approval shall be by Aiken County Council. *Funds from the prior fiscal year (FY18) will be awarded for the upcoming fiscal year (FY19). The amount recommended by the Advisory Committee will be the collections as of July 2018.*
4. Projects should be spread as much as possible around all areas of Aiken County and should impact the greatest geographic area possible. Multi-year commitments should be avoided.
5. No single entity will be allowed to receive more than forty (40) percent of the accommodations tax dollars raised in a single year. **In general, funds raised outside the limits of a city collecting its own local accommodations tax should be allocated for projects outside that city's limits.**

In other words: *If your project attracts tourist to the **unincorporated areas** of Aiken County, visitors are likely to use overnight accommodations in the unincorporated areas, replenishing and/or increasing the tax base.*

However, if your project attracts tourists to the incorporated areas (Cities of Aiken and North Augusta) collecting their own local accommodations tax, it is probable that your visitors will use overnight accommodations there. This will not replenish the Aiken County Local Accommodation Tax funds from which this grant derives. Please seek funding from the incorporated municipality in which your project is located.

6. All requests for funding should be submitted as grant requests on forms designed by the County Accommodations Tax Advisory Committee. Forms are available from the Aiken County Visitors Center; 133 Laurens St. NW, Aiken SC 29801.
7. *The county requires the provision of "matching dollars", with fifty (50) percent (dollar for dollar match) as the recommended guideline. **Preference in allocation of funding shall be to organizations with matching funds.***
8. All agencies receiving funds from the local accommodations tax fund shall make a written annual report to the Aiken County Visitors Center on the use of the funds **prior to receiving any further funds from this source by the designated deadlines.** See Local Accommodation Tax Timeline below.

DISTRIBUTION OF LOCAL ACCOMMODATION TAX

Distribution and Matching Funds

- a) Local Accommodations Tax funds will be distributed ***after project is complete and accountability report is reviewed for accuracy.*** You will not receive the funds in advance, so please do not ask for them from Aiken County employees, council members or advisory committee members.
 - b) Expenditures must be used to attract **tourists to the unincorporated areas of Aiken County.**
3. **Organizations are Responsible for Spending Aiken County Tax Funds** – Your organization is responsible for spending the awarded funds as approved by county council. Any variance must be approved by the Accommodations Tax Advisory Committee and the Aiken County Council. A statement of assurance is included in the application and it must be signed.

INCORPORATED AREA REQUIREMENTS

1. Organizations that are physically located in the areas where the county collects Accommodations Tax revenues provided the organization also sponsors projects or events within those areas.
2. Organizations that are not physically located in the areas where the county collects Accommodations Tax revenues; however, the project or event in which you are applying for is within the unincorporated areas. If you are not sure if your program or organization is located in incorporated or unincorporated Aiken County, please call the Aiken County Visitors Center for assistance at 803.642.7557. Each application/proposed project will be reviewed individually to determine the potential impact it will have for tourism in unincorporated Aiken County.

GRANT PROCESS

To be considered for funding, an application must be received by the published deadline June 15, 2018. Once all applications for Local Accommodations Tax Grant funds are received by the Aiken County Visitors Center and eligibility is verified, they will be forwarded to the Accommodations Tax Advisory Committee for review.

Eligible applicants will be required to attend a meeting of the Committee on **JULY 10, 2018** at 3:00pm at the Aiken County Government Center in order to answer possible questions.

The Committee will review and score each application based on the evaluation measures described below. Applications will be ranked based on the scores and the Committee will determine funding recommendations. The Committee will submit its funding recommendations to the county for review by County Council. County Council makes all funding decisions; however, the Council relies heavily on the recommendations of the Committee. Funding of all projects is entirely dependent upon Accommodations Tax funds being received by Aiken County.

CRITERIA FOR PROJECT ELIGIBILITY

As required by State Statute and by the requirements established herein, organizations and/or projects to be funded by A-Tax Funds **must have as their primary mission the attraction of tourists to Aiken County.** Each funding proposal will be reviewed individually to determine the potential impact it will have on the County’s tourism efforts.

Priority will be given to organizations and/or projects that have the following characteristics:

In this section of the application, Aiken County wants the applicant to estimate the number of overnight stays in the **unincorporated** areas of the County. Take the following items into consideration when making your estimations and provide a justification explaining how you came up with this number.

- How many people visit your attraction?
- How many tourists visit your attraction? How many hotel rooms are booked annually in the unincorporated areas of Aiken County due to your attraction?
- Estimate hotel room nights that will be booked due to your attraction in the unincorporated areas of Aiken County. How will you track this number? # rooms x # nights = estimated room nights booked

BUDGET

The budget should reflect in financial terms the actual costs of achieving the objectives of the project(s) you propose in your application. A budget form is provided for you as part of the application.

Under project income, list known and anticipated funding sources, including any that are pending. Be sure to include the Aiken County requests in this list. Also include the value of any in-kind contributions and mark as in-kind.

Budget Narrative/Justification - Please include a detailed description for each budget item. The following are examples that would be sufficient in this area.

- Flooring: Pine: \$6.00 per Sq. Ft. (1000 Sq. Ft.) = \$6,000 / Justification: Our historic building had original pine floors that were damaged over neglect. In order to maintain the original appearance and architecture of the building, we wish to use comparable materials.
- Lighting: Spotlights (Qty. 10 x \$8.00=\$800.00), recessed (Qty. 20 x \$9.00=\$1800.00) Total: \$2600.00 / Justification: Spotlights are best when projecting light on the large pieces of sculpture we've recently acquired. Recessed lighting will provide lighting for our visitor reception area.
- Paving of road frontage: (\$6,000) We must pave the road in order to gain access to the parking area of our nature trail.
- Dredging of waterway: (\$10,000) The waterway will need to be dredged in order for our passenger boats to load and unload visitors.

Budget tips:

- Budgets MUST be entered on the budget form provided and MUST include a justification for Accommodations Tax expenditures. This tells Aiken County how you plan to spend grant funds.
- Be as detailed as possible in your budget justification. This information will be compared to your update and/or accountability report(s). Items in your reports must appear in your application's budget.
